NORTHERN DISTRICT OF OHIO
EASTERN DIVISION**

**IN RE: NATIONAL PRESCRIPTION
OPIATE LITIGATION**

THIS DOCUMENT RELATES TO:

“Track Eight: Cobb County, Georgia”

MDL 2804

Case No. 1:17-md-2804

Case No.: 1:18-OP-45817

Judge Dan Aaron Polster

**AMENDED TRACK EIGHT CASE MANAGEMENT ORDER
FOR COBB COUNTY, GEORGIA**

On April 9, 2021, the Court entered an order identifying five additional bellwether cases against the Pharmacy Defendants, including *County of Cobb, Georgia, Purdue Pharma L.P., et al.*, Case No. 1:18-OP-45817. Doc. #3688. The Court directed the Parties to meet and confer with Special Master Cohen regarding proposed case management schedules for each case.¹ The Cobb County case is designated as “Track 8” or “CT8.” Cobb County and the Pharmacy Defendants named in the operative Amended Complaint (Doc. #3736) each submitted proposed CMOs for CT8. On May 2, 2022, the Parties submitted a Joint Motion to Amend the Case Management Order for Tracks Seven, Eight, Nine, Ten, and Eleven. The Court has reviewed the Parties’ Joint Motion and hereby amends Case Management Order as follows.² The provisions of the August 10, 2021 Track Eight Case Management Order for Cobb County, Georgia that are not amended below remain unchanged.

¹ The proposed schedule was prepared at the direction of the Court and Special Master Cohen. The Pharmacy Defendants complied with Special Master Cohen’s direction as to the timing of discovery for Tracks 7-11, but continue to preserve all objections as to the sequencing, timing and scope of discovery for the bellwether case designated as Tracks 7-11 and further reserve their right to seek extensions of the proposed schedule, as needed.

² The Court recognizes that the Plaintiff and certain New Defendants have not been subject to discovery in this MDL and have not previously participated in fact or expert discovery and that those parties, and any other party, may seek to modify any provision of this CMO for good cause shown. Because New Defendant Publix has not previously been in any active case and has not previously participated in fact or expert discovery, Publix may request reasonable extensions from any fact or expert discovery deadline in this Order, and the parties will meet and confer in good faith to determine if they can stipulate to revised deadline(s) for Publix.

B. Expert Discovery Deadlines

2. **Monday, November 21, 2022** – Except for expert witnesses who will testify *only* in the abatement-phase of the Track 8 trial, Defendants shall serve expert reports and, for each expert, provide two proposed deposition dates between **Tuesday, December 6, 2022 – Monday, December 19, 2022**.
3. Defendants believe that Plaintiff should be required to produce its abatement plan and all expert reports relating to abatement issues during fact discovery. The Court has denied that request in connection with its issuance of the Track 7 CMO. Pursuant to the direction of the Special Master, Defendants are not re-raising the issue in this submission, but reserve all rights to seek detailed discovery pertaining to abatement during fact discovery.
